

Granny Shaw's Kitchen Polbain 1960

This is one of a limited edition of signed prints donated by Will Maclean at the start of fundraising for the Lorg na Còigich project. It captures the atmosphere of many typical and much loved rural kitchens of its time.

There are only a few of the prints left.

Will Maclean RSA is considered one of the outstanding artists of his generation. His work is anchored in the history, archaeology, and literature of the Scottish Highlands and its people, as well as his family background in Coigach, and his love of the sea.

He has exhibited widely and his work is held in public and private collections around the world. There was a major retrospective of his work at the City Art Centre in Edinburgh in 2022.
